1993

An open letter from the Tucson Fire Fighters

Dear Tucson,

We have a job we can't walk away from. Everyday, Tucson Fire Fighters put their lives on the line to protect the lives and property of Tucsonans, and, all too often, we are first-hand witnesses to the horrible injuries and suffering of children who are burned or involved in a near-drowning. Tucson Fire Fighters care. We live with the personal knowledge of how painful, prolonged and expensive the results of these accidents are and we see the great courage these children and their families put forth.

That's why we established the Fire Fighter Fund for children who are victims of burns and near-drownings. We can all help. Together we can make it a little easier for these children and their families. When you buy this calendar, you're making a contribution to help a Tucson family heal. Together, we CAN do it!

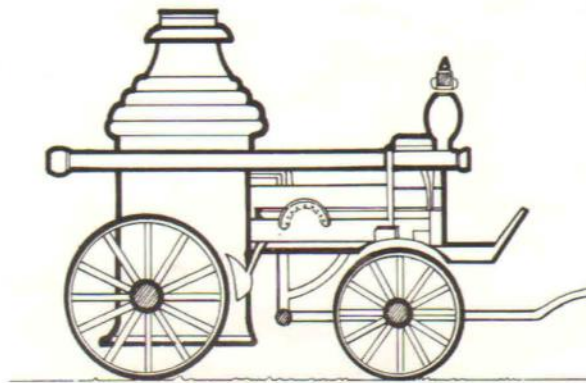

Tell a neighbor. Tell a friend. Buy another calendar for a gift. Show off the spirit of Tucson — the spirit of helping children in need. It is our fondest hope that this project will grow year after year to provide more help to the smallest victims, Tucson's children.

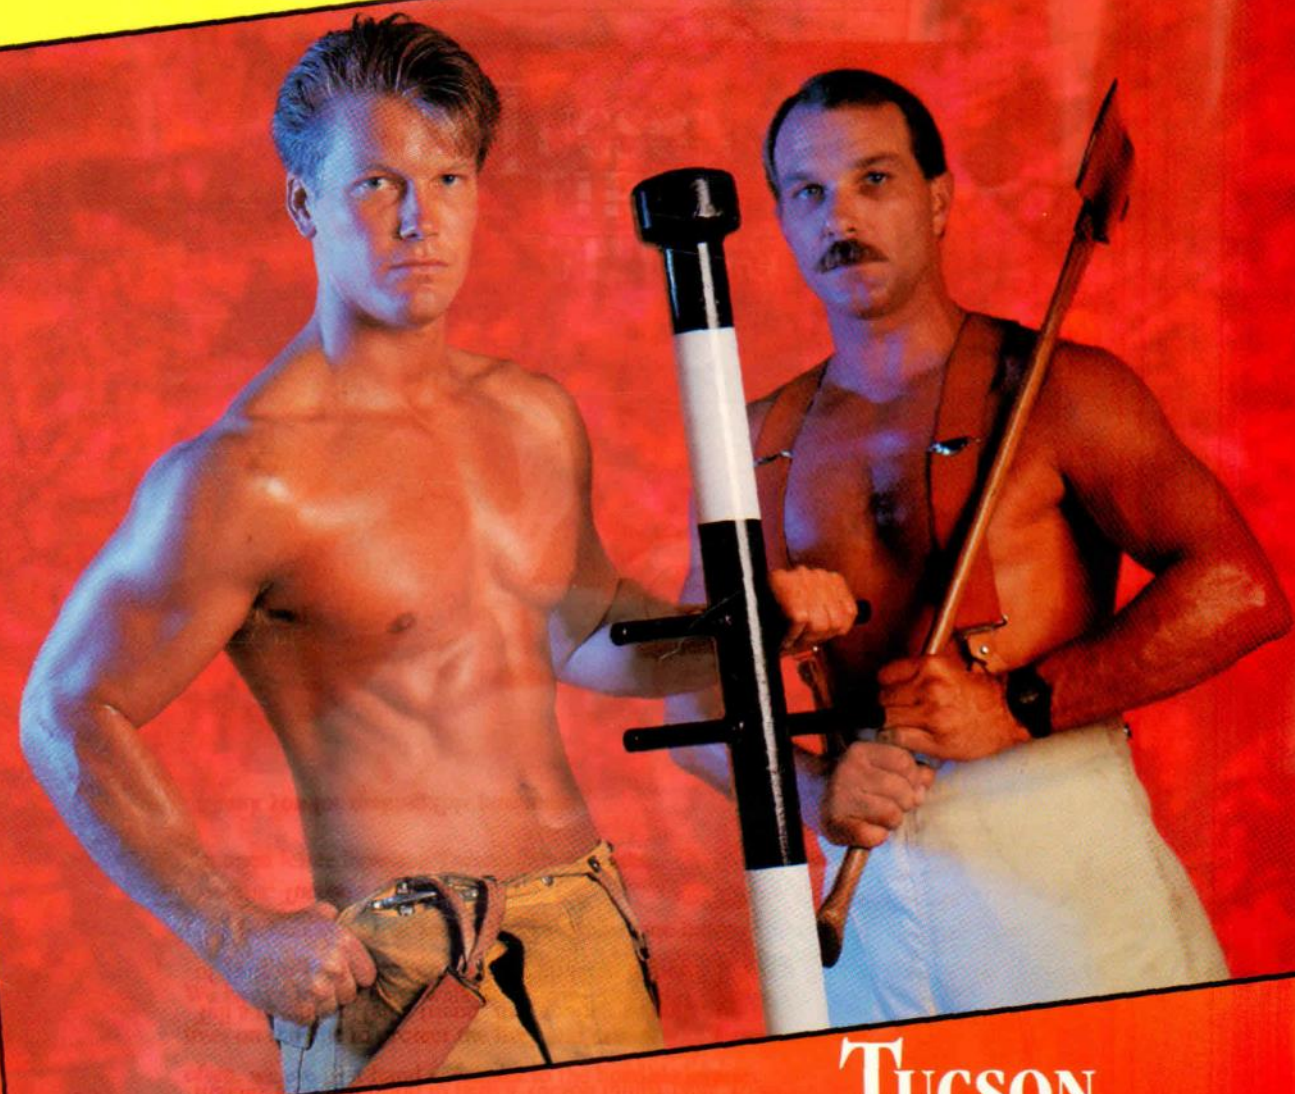

Thank you for making this purchase.

Sincerely,

Art Apodaca
Chairman TFF Calendar 1993

DECEMBER
1 9 9 3

This calendar is dedicated to the memory of my beloved mother-in-law,
JOSEPHINE A. DANIELS, who passed away 6/18/92.

Thanks — together, you made it happen!

As chairman of the 1993 Tucson Fire Fighters' Calendar, my heartfelt thanks goes out to:

- **Regina Brandt** and staff of **Hank Brandt Associates, Inc.**, without her guidance, innovative ideas and many hours, this calendar would not have materialized.
- **Jim Grimes** and **Manny Frklich** from Golden Eagle Distributors. They have given us their support from the onset of this project.
- Our Photographers — their work has captured the essence of who we are and what we do. **Chris Haynes**, one of our own, made taking the difficult photos look simple. **Howard Linton** developed such an excellent rapport with each of his subjects that it brought a special creativity to this project. **Chris Mooney** spent hours in the hot sun to give us the spectacular photos seen in this calendar...enough can't be said! **Mike Stoklos** brought us enthusiasm, energy and an exactness that added a new dimension to the calendar. Thank you all!
- **Manny Chavez**, Houston Fire Fighters, made the trip to Tucson to spend three days with us sharing all the "how-to's" they'd already learned in producing their calendar.
- **John Springer**, President of the Tucson Fire Fighters Association L-479 I.A.F.F., and Chief **Richard Moreno**, made this project possible from the initial idea to the finished product. Without them, it would have remained a dream.
- **Carol Meola** of "Hair Unlimited" made us all look our best!
- **Michael Kalinowski** gave us graphic design that illuminates each month of this calendar.
- Fire Fighters at Stations 1, 5, 10 and 15 and every Fire Fighter who have gave so generously of their time and energy to appear in the calendar, especially **Jan** and **Art** for that extra effort! **Mike McKendrick** put in long hours at the Fire Academy and **Larry Burkett**, our Public Information Officer, backed us every inch of the way.
- And, a special thanks to the Tucson news media who have given us and are continuing to give us the support that will make this calendar a very important contributor to the fund for children who are victims of fires and near-drownings, especially **Lupita Murillo** and **Martha Vasquez** of **KVOA-TV/Ch. 4** and **Christina Valdez** of the **Tucson Citizen**. They were there from the very start.
- Last but not least, my thanks to my wife, **Rosalie** — her love, support and enthusiasm keeps me going!

Greater Tucson Fire Foundation

Thanks you for taking an interest in Tucson Fire Department history —

This is one of many sections that contain information, documents, letters, newspaper articles, pictures, etc. They have been collected and arranged in chronological order or by a subject. These items were collected, organized and entered into a computerized database by Dave Ridings Assistant Chief Tucson Fire Department, Al Ring friend of the department, Greater Tucson Fire Foundation and with the help of many friends and fellow firefighters.

All graphics have been improved to make the resolution as good as possible, but the reader should remember that many came from copies of old newspaper articles. This also applies to other items such as documents, letters, etc.

Credit to the source of the documents, photos, etc. is provided whenever it was available. We realize that many items are not identified and regret that we weren't able to provide this information. As far as the newspaper articles that are not identified, 99% of them would have to be from one of three possible sources. The *Arizona Daily Star*, The *Tucson Citizen* and the *Tucson Daily Citizen*, for which we want to give a special thanks.

Please use this information as a reference tool only. If the reader uses any of the information for any purpose other than a reference tool, they should get permission from the source.

Should the reader have additional information on the above subject we would appreciate you sharing it with us. Please see the names and contact information on the 1st. TFD Archives page right below this paragraph.
