5302 E. 22ND. ST. TO CHECK SPRINKLER SYSTEM, AT REQUEST OF CHIEF PETERSON. FINDINGS: MR. LEECE, STORE MANAGER INFORMED US WORKMEN HAD ADDED TO SYSTEM AND HAD LEFT ABOUT 1800 HOURS. SOON THEREAFTER WATER STARTED FLOWING THROUGH DRAIN AND BELL KEPT RINGING FROM TIME TO TIME. WHEN WE ARRIVED WATER WAS FLOWING BUT BELL WAS NOT RINGING. WE CLOSED VALVE TO RETARD CHAMBER AND WATER STOPPED FLOWING. OPENED VALVE AND WATER STARTED FLOWING AGAIN BUT BELL DID NOT RING. CALLED DISPATCHER TO SEND MAN FROM FIRE PREVENTION BUREAU TO ASSIST US. INSPECTOR GILMORE ARRIVED AND REPEATED THE SAME PROCEDURE WITH IDENTICAL RESULTS. IN ADDITION OPENED MAIN DRAIN AND INSPECTOR'S TEST VALVE AND ALLOWED TO FLOW FOR APPROXIMATELY TEN MINUTES. BELL DID NOT RING. CONCLUDED THAT BELL ALARM PART OF SYSTEM WAS IN-OPERATIVE AND SET VALVE TO RETARD. CHAMBER IN "OFF" POSITION. SPRINKLER SYSTEM REMAINED IN SERVICE BUT ~~WAS~~ WITHOUT BELL ALARM. RECOMMENDED TO MR. LEECE HE NOTIFY HIS PRIVATE MERCHANT PATROL TO KEEP EXTRA CLOSE WATCH TONIGHT AND THAT

ATTENTION AND URGING THEM TO PASS THE BILL BUT TO MAKE ONE SMALL CHANGE. IN CHIEF RUSSELL'S WORDS THAT CHANGE IS TO REMOVE THE 60% OF TOP FIREMEN'S PAY AS IT NOW APPEARS ON THE BILL AND MAKE IT STRICTLY ONE HALF ~~FOUR~~ WAGES. HE EMPHASIZED THE FACT THAT THIS LETTER DOES NOT ASK TO KILL THE BILL, BUT JUST TO MAKE THAT ONE SMALL CHANGE TO MAKE OUR PENSION SYSTEM MORE EQUITABLE TO THE POLICE SYSTEM. SOME MEMBERS ASKED TO SEE THE LETTER, OR COPY, WHICH HE COULD NOT PRODUCE. AFTER A FEW QUESTIONS FROM THE GROUP, CHIEF RUSSELL SAID THIS GROUP WAS NOT RECEPTIVE TO WHAT HE HAD TO SAY AND LEFT AT APPROX 1130. MANY QUESTIONS WERE LEFT UNANSWERED.

Greater Tucson Fire Foundation

Thanks you for taking an interest in Tucson Fire Department history —

This is one of many sections that contain information, documents, letters, newspaper articles, pictures, etc. They have been collected and arranged in chronological order or by a subject. These items were collected, organized and entered into a computerized database by Dave Ridings Assistant Chief Tucson Fire Department, Al Ring friend of the department, Greater Tucson Fire Foundation and with the help of many friends and fellow firefighters.

All graphics have been improved to make the resolution as good as possible, but the reader should remember that many came from copies of old newspaper articles. This also applies to other items such as documents, letters, etc.

Credit to the source of the documents, photos, etc. is provided whenever it was available. We realize that many items are not identified and regret that we weren't able to provide this information. As far as the newspaper articles that are not identified, 99% of them would have to be from one of three possible sources. The *Arizona Daily Star*, The *Tucson Citizen* and the *Tucson Daily Citizen*, for which we want to give a special thanks.

Please use this information as a reference tool only. If the reader uses any of the information for any purpose other than a reference tool, they should get permission from the source.

Should the reader have additional information on the above subject we would appreciate you sharing it with us. Please see the names and contact information on the 1st. TFD Archives page right below this paragraph.
