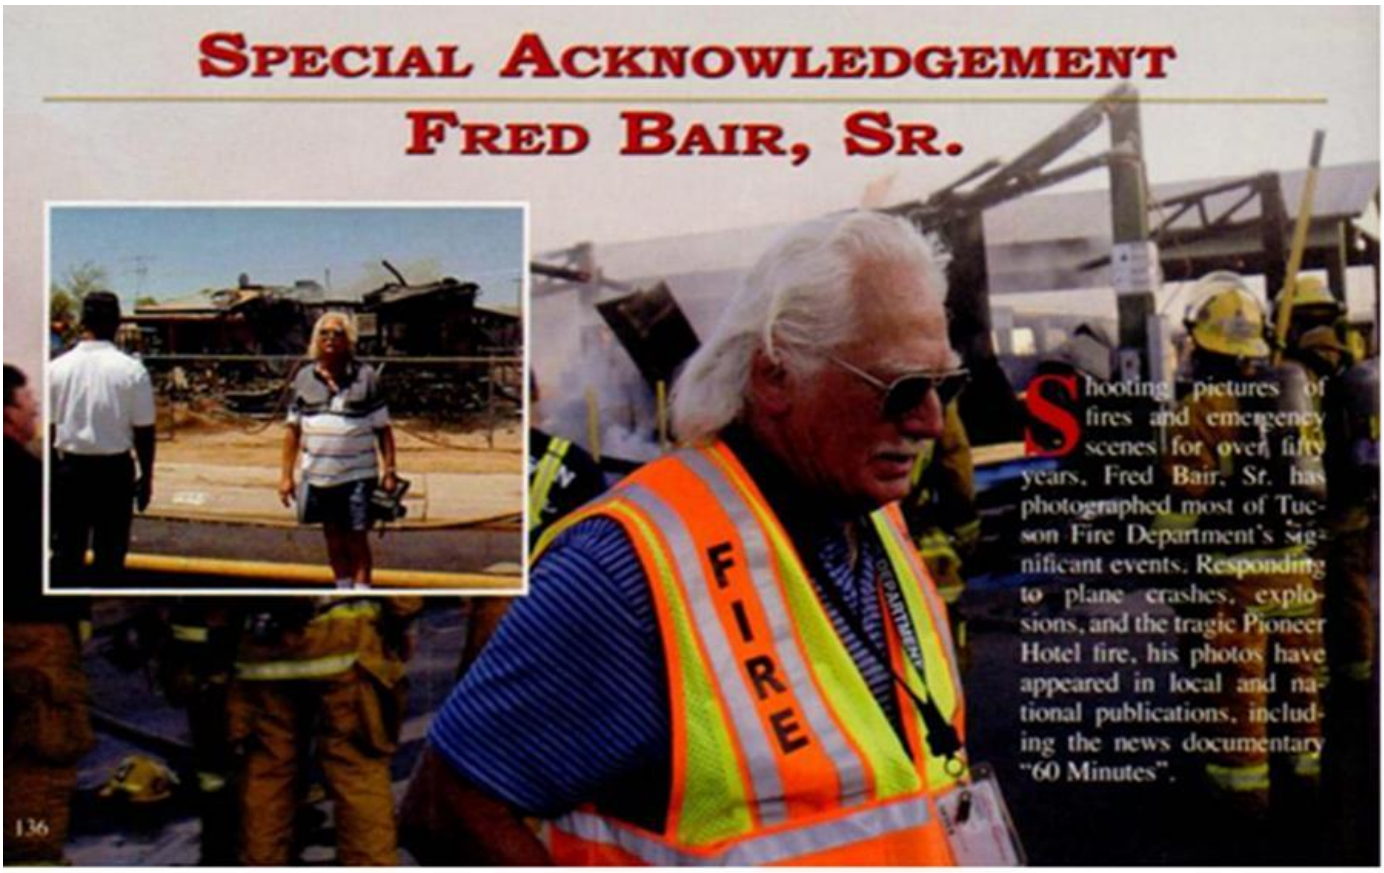
Tucson Fire Department

Fred Bair Sr. Scrapbook 1970s (1)

A very special thanks to Captain Fred Bair, TFD, for sharing Fred Bair Senior photos.



Note—

When we can get the incident date it is provided and the slides are in chronological order.

When slides are marked —slides dated "June 1977" that means they were developed at that time but could have been take a month or two before, they still are in order.

When slides are marked—unmarked—there is no date at all, but they still follow as close a possible in the order they were taken.

Greater Tucson Fire Foundation

Thanks you for taking an interest in Tucson Fire Department history —

This is one of many sections that contain information, documents, letters, newspaper articles, pictures, etc. They have been collected and arranged in chronological order or by a subject. These items were collected, organized and entered into a computerized database by Dave Ridings Assistant Chief Tucson Fire Department, Al Ring friend of the department, Greater Tucson Fire Foundation and with the help of many friends and fellow firefighters.

All graphics have been improved to make the resolution as good as possible, but the reader should remember that many came from copies of old newspaper articles. This also applies to other items such as documents, letters, etc.

Credit to the source of the documents, photos, etc. is provided whenever it was available. We realize that many items are not identified and regret that we weren't able to provide this information. As far as the newspaper articles that are not identified, 99% of them would have to be from one of three possible sources. The *Arizona Daily Star,* The *Tucson Citizen* and the *Tucson Daily Citizen,* for which we want to give a special thanks.

Please use this information as a reference tool only. If the reader uses any of the information for any purpose other than a reference tool, they should get permission from the source.

Should the reader have additional information on the above subject we would appreciate you sharing it with us. Please see the names and contact information on the 1st. TFD Archives page right below this paragraph.
